EDLA COMMITTEE WELCOME MESSAGE

Welcome to all our new and re-registered athletes and parents for the 2025/2026 season. The Eastern Districts Little Athletics (EDLA) Centre is part of the SA Little Athletics Association. It is a voluntary, community-based organisation with a mission to “**develop children of all abilities by promoting positive attitudes and a healthy lifestyle through family and community involvement in athletic related activities.**” Although we have some outstanding athletes, we are about having fun on a Sunday with your friends and family while ‘having a go’ at a variety of athletics events.

At Eastern Districts, we cater for all athletes from Tiny Tots up to our most senior athletes in the U17s age group. We are very fortunate at Eastern Districts to have a great team of coaches. This ensures that our athletes not only have fun but also develop and improve their skills. Our free coaching sessions are on Tuesday and Thursday nights, depending on your age group.

Email will be our main form of detailed communication. Please ensure that your email address is up to date. Additional highlights will be posted via our social media platforms, Facebook and Instagram as well as the club website.

You can also follow us on:

Facebook: **Eastern Districts Little Athletics - EDLA**

Instagram: **easterndistrictslac**

EDLA website: <https://eastern-districts.littleaths.com.au/>

In addition to our normal Sunday morning meets we participate in numerous association events. Please refer to the program details. Please also refer to the SALAA website for state competitions www.salaa.org.au.

Eastern Districts have been the **STATE RELAY CHAMPIONSHIPS** Champion Centre in 10 of the last 16 years. This is an exciting day and allows our U8 and above athletes to compete as a team for the mighty “purple-and-white”! In addition, the State PB Classic #1 and #2, Multi-Event Day and the State Challenge are all important dates on the athletics calendar. The season will culminate with the State Individual Championships in late March 2026.

Finally, Little Athletics requires active involvement from **all** parents. The benefits of Little Athletics are not limited to just the children; parents do have fun and enjoy being involved. Level 0 and Level 1 Official’s Course can be completed online and in person sessions are run throughout the year. These will be advertised when available. Parents are encouraged to become involved in coaching and our accredited coaches will be happy to answer any questions. Coaching courses will also be advertised when available. Trained coaches and officials assist with our athletes’ development and our official record keeping. In addition, we have rosters with each age group taking turns at contributing to certain tasks each week to allow the meets to run smoothly, in a timely fashion.

We look forward to sharing an enjoyable and productive season with parents and athletes.

EDLA COMMITTEE

GENERAL INFORMATION

ELIGIBILITY FOR MEMBERSHIP

Any child can register for Little Athletics once they are 5 years old. A modified *Tiny Tots* athletics program is offered for children 3 – 5 years of age. Children compete in groups determined by their age as of 1st January 2026. The age groups and birth dates for the 2025/2026 season are:

AGE GROUP	DATE OF BIRTH
Tiny Tots	1.1.2021 – 31.12.2021
U 6	1.1.2020 – 31.12.2020
U 7	1.1.2019 – 31.12.2019
U 8	1.1.2018 – 31.12.2018
U 9	1.1.2017 – 31.12.2017
U 10	1.1.2016 – 31.12.2016
U 11	1.1.2015 – 31.12.2015
U 12	1.1.2014 – 31.12.2014
U 13	1.1.2013 – 31.12.2013
U 14	1.1.2012 – 31.12.2012
U 15	1.1.2011 – 31.12.2011
U 16	1.1.2010 – 31.12.2010
U 17	1.1.2009 – 31.12.2009

Children must be registered to enable participation **in any** SA Little Athletics Association event. The registration period runs from 1st October 2025 to 30th September 2026. This includes the winter cross country and race-walking season. Athletes registered with EDLA are entitled to free training at Webb Oval.

Training for specific age groups occurs on different nights – for more information please check posts on socials, weekly emails (once the season has commenced) or view our website [Eastern Districts LAC](#)

SUMMER COMPETITION TIMES

Sunday Mornings Warm up 8.45am (conducted by senior athletes)

Please note that Long Run and Long Walk events may begin at 8.30am, particularly on warmer mornings.

All other events begin at 9am, concluding at 11.00am (approx.)

Season commences 12th October to 21st December 2025 (inclusive)

Christmas Break 22nd December to 10th January (inclusive)

Season re-commences 11th January to 29th March 2025 (inclusive)

For all other competition dates and meetings please consult the 2025/2026 program further on in this booklet.

HOME MEETING EVENTS

Our home meeting schedule has a rotation of 6 programs (detailed inside this booklet). These are designed to give athletes an equal distribution of events and to optimise athletes' performances. *Please follow the order of events in the recording folder.*

All athletes must compete in at least 3 events at each meeting to count as one official attendance.

During wet weather or hot weather some events may be cancelled. You will be notified by **email**, and a post will be put on social media platforms.

Please remember Webb Oval is a Smoke Free venue and **all dogs** must be kept on a leash held by an adult and be well away from children competing.

PARENTAL INVOLVEMENT

Parental involvement is vital to keep our Centre functioning. Without your help, this recreation would cease to exist for our children. Little Athletics is a family activity and all children must have a parent and/or guardian present onsite at all times. Parents doing the 'drop and go' will have their child removed to the clubrooms until they return. This is purely for the safety of your child in the case of an emergency but also recognises that we are all volunteers and all need to contribute.

All parents are required to volunteer on a regular basis within the age level group and for the club.

Age Level Managers: Ensure the group follows the weekly program in order, officiates, assigns parents to chaperone, track starter, timekeeper and BBQ/canteen duties. Managers assist with organising teams for state relay day.

Chaperone: Records athletes' performances and enters results via one of the iPads.

Club duties: These duties will be rostered to every age group level and overseen by the age level manager: equipment set up, equipment pack up and BBQ/canteen (fundraising to have accredited coaches and keep our equipment up to date).

Timekeeper: time all events. Timing commences **from the sight of the LED light** and concludes when any part of **the athletes' torso crosses the finish line** (not the head, neck, arms or legs).

Times shall be recorded on the recording sheet and subsequently the iPads, to the nearest one hundredth of a second. For example, the watch shows 10.18 seconds and this shall be put on the recording sheet as 10.18. This will ensure the results uploaded to ResultsHQ are to the same accuracy.

Officials: While all parents are required to help officiate at club meetings, it is desirable to have some parents qualified as Level 1 Officials (formerly C Grade). This ensures that events are supervised and judged to the same standards our athletes will encounter at SALAA Meetings.

Centre Best Performances will only be accepted if witnessed by a Level 1 Official.

Chaperones and/or parents are encouraged to plan for an official to attend in anticipation of a Centre Record being broken, as well as to measure field events and provide sign-off on the recording sheet.

For over 30 years, EDLA has kept a record of the centre best performances across all the track and field events for male and female groups aged U6-U17. EDLA keeps both an online database through Results HQ and hard copies for its reference (e.g. annual handbook, recording sheets) of these Centre Records.

Parents who would like the opportunity to gain officiating qualifications may do so by completing the Little Athletics SA Officials Course. These are run routinely throughout the year and cover the basic skills required to officiate track and field events as well as how to manage and communicate with children and young people.

Further information on these courses can be found on the SALAA website [SA \(salaa.org.au\)](http://salaa.org.au) or our website [Eastern Districts LAC \(littleaths.com.au\)](http://littleaths.com.au)

HOT WEATHER POLICY

When the Friday night forecast for Sunday is for 36°C or above then we have the option to modify the events for the Sunday EDLA Meeting. When the Friday night forecast for Sunday is for 40°C or above then we have the option to cancel the meeting. You will be notified via **email** and a post will be put on social media platforms.

If the forecast temperature on the morning of a meeting is 36°C or above, then the program will most likely be modified. Distance events will be run at 8:15am and we will reduce the number of events. You will be notified through via **email** and a post will be put on social media platforms. Whilst we take a cautious approach, the final decision to compete rests with the athletes and their parents. However, athletes must compete in 3 events at each meeting to count as one official attendance.

Tuesday training sessions will be modified if the temperature is 35°C or above at 4:30 p.m. A revised session for all age groups may be held. For short notice notifications, a post will be put on social media platforms. When the weather is wet or the ground conditions are slippery then we have the option to cancel some events.

In the case of thunder or lightning, all athletes and family members **MUST** seek shelter as soon as possible, in the club rooms. They shall remain under the shelter until it is deemed by the club President or designated committee member to be safe to return to the open.

CLOTHING AND FOOTWEAR

UNIFORMS: All registered Little Athletes must wear the correct Centre uniform to all events. Athletes may wear black bike or running shorts (basketball style shorts are not permitted). Tiny Tots may wear a plain white polo top. Please ensure all athletes have their cloth registration number and age group numbers sewn on correctly as well as the correct sponsors' badges.

FOOTWEAR: Children must wear shoes at all times and must compete in suitable footwear such as jogging, track or sandshoes. Spiked shoes are permitted for the U11 to U17 age groups, in jump and land events only (i.e. to a maximum distance of 400m). Spikes must be put on at the start and removed at the end of the event. Maximum spike length on grass is 9mm. Maximum spike length at SA Athletics Stadium is 7mm.

HATS: Children must wear hats that offer maximum sun protection, preferably not baseball style caps. Please name all items of clothing that may be removed during competition to avoid confusion. Free sunscreen is available at the Clubrooms so please be sun smart and good role models.

INSURANCE

All registered Little Athletes, coaches and voluntary workers are insured for Personal Accident and Public Liability through Sports Cover Australia Pty Ltd. Cover is provided for injuries caused solely by active participation in officially organised events, practice and training sessions and official functions. Parents are responsible for the Medicare gap. Any injuries must be reported to a member of the committee on the day of injury and recorded on an incident sheet.

DEVELOPMENT PATHWAYS

EDLA promotes athletics as a life-long sport. We encourage our athletes and parents to continue into senior athletics as athletes, coaches and officials. Coaching fees, coaching courses and officiating courses are included in athletes' registration. Any parent who would like to assist at coaching or officiating or would like to participate in a course should make themselves known to the coaching or Officials' Coordinator. Our program provides the complete pathway through to senior athletics with appropriate training and competition for each age group. For more information, please contact our club coaches.

The coaching and competition opportunities available to our athletes are as follows:

TRACK AND FIELD

U6-U8

A parent must be in attendance and helping at both training and competitions meets

Training:

Tuesday 5.15pm-6.30pm at Webb Oval, EDLA

Fun and games based on track and field event skills

Competition:

4 events at Eastern Districts Little Athletics competition on Sundays 8.30-11.00am

State PB Classic #1 and #2

State Challenge

Goals: to learn basic skills such as waiting in turn, following rules, how to jump, run and throw

U9-U11

A parent must be in attendance and helping at both training and competitions meets

Training:

Tuesday 5.15-6.30pm at Webb Oval EDLA

Fun, skill and technique development across all track and field events

Various SALAA clinics

Competition:

5 events at Eastern Districts Little athletics competition on Sundays 8.30-11.00am

State PB Classic #1 and #2

SA Power Networks State Relay Championships

State Combined Event Championships

State Challenge

State Individual Championships

Winter Track Series

State Cross Country Championships
State Race Walking Championships
SAPSASA

Goals: Sportsmanship, expansion of friendship groups, PBs, State Championship qualifiers

U12 – U13

Training:

Tuesdays and/or Thursdays 5-6.30pm October to March at Webb Oval EDLA (times subject to change)

Fun, technique development, being part of a training squad, commitment, determination, goal setting, learning how to train.

Various SALAA clinics

Competition:

5 events at Eastern Districts Little athletics competition on Sundays 8.30-11.00am

State PB Classic #1 and #2

SA Power Networks State Relay Championships

State Combined Event Championships

State Challenge

State Individual Championships

Winter Track Series

State Cross Country Championships

State Race Walking Championships

SAPSASA

ALAC

Goals: Friendships, sportsmanship, PBs, qualification for competition events, selection in State teams

U14-U17

Training:

Tuesdays and Thursdays 6-7.30pm October to March at Webb Oval

Fun, start to specialise and perfect technique for three or four events, training squad becomes a solid friendship group. Training may be preferred to competition, social activities and winter training.

Coaching by specialised event coaches in throws, track or jumps.

Competition:

5 events at Eastern Districts Little Athletics competition on Sundays 8.30-11.30am

State PB Classic #1 and #2

National All Schools

National Juniors

EDLA has a strong link with Pembroke Athletics South Australia Senior club as the nearest Senior club, and we encourage our athletes to join Pembroke ASA as a dual member and occasionally compete at Athletics SA interclub on Saturday afternoons. More information is available from the EDLA club coaches.

Other athletic opportunities:

- Level 1 official's course
- Volunteer coach U6-U8 at training sessions (this can count towards volunteer hours required as part of school and IBDP requirements)
- Athletics SA and SA Little Athletics Gold/Silver/Bronze development squad.
- U15 AIS camp
- U17 AIS camp (for Athletics SA members only)

U18 – U100

Training:

Tuesdays and Thursdays 6-7.30pm October to March at Webb Oval

More frequently depending on goals

Fun, specialised, continuous improvement, very strong friendship group, 12-month training plans, Training around Year 12, university studies and work commitments

Competition:

ASA interclub Saturday afternoons for Pembroke athletics club,

Uni Games	All Schools
National juniors	Open Nationals
Commonwealth Youth Games	Youth Olympics
Oceania Champs	World Juniors
Commonwealth Games	Olympics
World Champs	Invitational events at EDLA
SALAA parents' races at relay day	Masters' competition Wednesday nights
ASA 35+ competitions	Saturday afternoons at SA Athletics Stadium
Australian Masters Games	Masters Championships

Other Athletic Opportunities:

- Coaching courses
- Coach at Little Athletics, schools, ASA clubs
- Level 2+ Officiating courses
- Officiate at Little Athletics Schools meets (SASSCA & SSSSA), ASA meets, National meets, and Commonwealth Games

OUT OF STADIUM

The following describes the coaching and competition opportunities that are available to athletes in the winter season for out of stadium activities:

Little Athletics Cross Country TT- U17 and Parents races, May - August

SAPSASA Cross Country 10-12 yo

Schools Cross Country 13-18 yo

ASA Cross Country 13+

SA Amateur Walkers Club Ages 7+

ASA Half Marathons

ASA Marathons

ASA Mountain Running

Ekiden Relays

Fun runs

For more information see the Athletics SA Winter Calendar on www.athleticssa.com.au

SPECIAL EVENTS AND MEETINGS

STATE PB CLASSIC #1

SA Athletics Stadium Mile End

SUNDAY 23rd NOVEMBER 2025

Age Groups: TT-U17.

Qualification Standards: None.

The State PB Classic's present an exciting opportunity for athletes of all ages and abilities to compete in a meet at the SA Athletics Stadium. One is hosted at the beginning of the Little Athletics season, with the other towards the end, providing athletes the opportunity to try and achieve their Personal Bests (PB's) in a variety of events, or see their improvement over the season at the same ones. Athletes can select up to five (5) available events at each State PB Classic.

Entry Fee: \$27 per athlete

Entries Open: 8 October 2025

Entries Close: 5 November 2025

STATE RELAY CHAMPIONSHIPS

SA Athletics Stadium, Mile End

SUNDAY 14th DECEMBER 2025

Age Groups: U8-U17 and Mums & Dads.

The State Relay Championships provides athletes with the opportunity to compete with other athletes at their club in a large variety of track and field relays at the SA Athletics Stadium. Smaller clubs can also get involved by combining athletes with other clubs and Mums & Dads are even invited to join the action! Clubs are responsible for nominating making up and nominating their teams, as well as ensuring you have great costumes for the March Past! Medals are presented to the top three placed teams in each event, in each age group.

Athletes must be registered with an affiliated Little Athletics SA centre and have competed in at least one (1) meet at your registered club to be eligible to participate in this State Competition.

One of the most exciting days on the program is the Relay Championships. This event gives centres a chance to develop team spirit and comradeship. It is an ideal opportunity for children to compete together as a team.

Female and male age groups (U8-U17) compete in 4x100m and 4x200m track relays and field relay events. The club can enter multiple track relay teams but only one field relay team. There is a combined mixed medley of 2x100m, 1x200m, 1x400m in the following divisions U8 (Shuttle run 4x100m only) to U11, U12 to U14, U15 to U17. Each combined mixed team must have at least one boy and one girl and at least two age groups must be

represented. Field relay teams compete in 2 throwing events (shot put and discus) and 2 jumping events (high jump and long jump).

Parents of the team members are asked to volunteer as Team Managers or to **assist** with timekeeping and marshalling on the day. Parents are also encouraged to field a 4x100m relay team.

RULES AND OTHER INFORMATION

1. The Relay Teams are selected by the Relay Manager in coordination with the Age Level Managers. Athletes are selected by their performances in the appropriate events recorded during Little Athletic events **this season**. The committee's decision is final and no negotiation will be entered into.
2. The Relay Team will consist of 4 athletes plus one reserve.
3. The Relay Teams will be selected approximately 21 days prior to the Relay championships.
4. All members of a Relay Team are to train together a minimum of 4 times in the 2-week period prior to the championships.
5. If an athlete cannot attend/perform on the 1st or 2nd training date set, either due to injury or sickness their position on the Relay Team may be forfeited. In this case another athlete will be appointed.
6. Any reserve selected for the Track Relay championships is to be 1st priority for a Field Relay position. This means all Personal Best performances must be taken into consideration when the Relay Teams are selected by the Sub Committee.
7. Parents of those athletes selected to participate in the Relay Championships are required to volunteer to **assist** in officiating on the day. Any parents not willing to do so risk having their child/children excluded from the team.
8. The EDLA Relay Manager retains the right to change/swap the team order to provide the best possible outcome for the EDLA Club on the day.

TEAM MANAGERS – Responsibilities:

1. Communicate with the team members and their families.
2. Ensure the correct uniform is worn at all times.
3. Marshall the team on relay day, ensuring all athletes arrive on time.
4. Ensure the team meets the specified time requirements for marshalling at the start of all races.
5. Correctly fill out the marshalling form and give to the Marshal at the marshalling tent.
6. To be at the finish line with a clear view in case of a dead heat or an order mistake. You may be required to give your opinion. Report any race disputes, if necessary.

ATHLETES – Responsibilities:

1. To contact your Team Manager as soon as you know you are unable to attend a training session.
2. To contact your Team Manager as soon as you know you will be unavailable on Relay Day.
3. Attend all training sessions organised by your Team Manager and Coaches to retain your place in the Relay Team.
4. To wear the correct centre uniform on the day of competition to avoid disqualification of yourself and your team.
5. To remember that this is the only time in the summer athletic calendar when you are required to participate as a TEAM not an individual.

Remember to have FUN and to cheer and encourage all members of the EDLA team.

Entries Open: 29 October 2025

Entries Close: 26 November 2025

STATE PB CLASSIC #2**SA Athletics Stadium, Mile End****SUNDAY 18th JANUARY 2026**

Age Groups: TT-U17.

Athletes must be registered with an affiliated Little Athletics SA centre to be eligible to participate in this State Competition.

Athletes can again select up to five of the events on offer to work on their Personal Bests (PB) at the exciting atmosphere of the SA Athletics Stadium.

A session for **Tiny Tots** is usually conducted in the warm-up area at the back of SA Athletics Stadium at 10am.

This event gives all registered athletes a chance to compete against children from other clubs in their chosen events. This Day replaces our home meeting. Events may only be attempted once. Three events must be completed to qualify as a non-home performance. Parents are required to assist with duties during the day.

Entry Fee: \$27 per athlete

Entries Open: 3 December 2025

Entries Close: 31 December 2025

STATE COMBINED EVENT CHAMPIONSHIPS**SA Athletics Stadium, Mile End****SATURDAY 21st & SUNDAY 22nd FEBRUARY 2026**

Age Groups: U9-U17.

This unique State Championship (previously known as the State Multi-Event Championships) has a set program that athletes participate in to gain points for each performance, with the top three overall highest points scorers presented with medals in each age group.

There is a mixture of running, jumping and throwing events, displaying an athletes' all-round athletic ability. Athletes in the U9 to U13 age groups compete over one day in a pentathlon (5 events), with the U14 age group competing over two days in a hexathlon (6 events) and the U15 to U17 age groups competing over two days in a heptathlon (7 events). All events are competed at the SA Athletics Stadium.

This Championship is also where the U15 State Team athletes are provisionally selected to represent South Australia at the Australian Little Athletics Championships (ALAC).

Registration Cut-Off: 31 December 2025

Qualifying Ends: 1 February 2026

Entries Open: 7 January 2026

Entries Close: 4 February 2026

Entry Fee: \$31 per athlete

STATE CHALLENGE**SA Athletics Stadium, Mile End****SUNDAY 29th MARCH 2026**

Age Groups: U8-U13

The State Challenge is a great opportunity for athletes who have not quite qualified for events in the SIC's to compete in a Championship styled competition at the SA Athletics Stadium, whilst the SIC's is the pinnacle competition that athletes strive for to compete against the best of the best from around the state.

Athletes can nominate in up to five (5) events between the two competitions. Depending on their qualification status and quota positions, some of those events may be in the State Individuals and some may be in the State Challenge – they are guaranteed a place in each event they nominate for in one of the Competitions.

Registration Cut-Off: 31 December 2025

Qualifying Ends: 1 March 2026

Entries Open: 4 February 2026

Entries Close: 4 March February 2025

Entry Fee: \$18 per event for the first three (3) events, then \$9 for an additional fourth and fifth is free. Capped at \$63.

For further information, visit <https://salaa.org.au/state-challenge-state-individual-championships/>

STATE INDIVIDUAL CHAMPIONSHIPS & ATHLETES WITH A DISABILITY

SA Athletics Stadium Mile End SATURDAY 21st and SUNDAY 22nd MARCH 2026

Age Groups: U9-U17

The culmination of centre competition each year is the State Individual Championships. Not all competitors can be champions and Little Athletics acknowledge this. However, there is an obligation for the talented child who may wish to continue in the sport and these championships give them an opportunity to present their skills.

Registration Cut-Off: 31 December 2025

Qualifying Ends: 1 March 2026

Entries Open: 4 February 2026

Entries Close: 4 March 2026

Entry Fee: \$18 per event for the first three (3) events, then \$9 for an additional fourth and the fifth is free.

Capped at \$63.

AUSTRALIAN LITTLE ATHLETICS CHAMPIONSHIPS

Each year a team of 13 boys and 13 girls from the U13 and U14 age group and 3 boys and 3 girls from the U15 age group are selected to represent South Australia in a one-day track and field competition against the other States. The teams are selected on the basis of individual performances during the season in a series of trials. To qualify for these Championships, an athlete must be registered with their club by a certain date.

WINTER CROSS COUNTRY SEASON

Cross Country running meetings are organised by various Little Athletic Clubs during the off season, culminating in the SALAA State Cross Country Championships which are usually held in July. Meetings are held on Sundays at a different venue each week. A BBQ lunch and canteen facilities are available at all venues. The meetings are held in a picnic atmosphere and help the children to develop fitness and stamina.

Children from all centres are invited to compete. All athletes must be registered and wear the correct centre uniform. Footwear is compulsory, spikes are not permitted. Please ensure the athlete arrives well before the scheduled start time. This allows sufficient time to walk the course.

Athletes should report to the starting line 5 minutes prior to their scheduled event, with \$2 entry fee (correct at time of printing). Girls start approximately 1 minute after the boys.

2026 STATE CROSS COUNTRY CHAMPIONSHIPS**Date Sunday 19 July 2026**

The Championship event is open to athletes in the U9-U17 age groups who have participated in a minimum of 3 Cross Country meets throughout the winter season. For athletes in the Tiny Tots to U8 ages groups, these athletes must have participated in at least one preliminary Cross Country meet.

Athletes are required to register online for the Championship event.

A copy of the rules are available from the SALAA website: <https://salaa.org.au/competition-rules-regulations/>

Entry Fee: TBC

Entries Open: noon 17 June 2026

Entries Close: 11.59pm 15 July 2026

STATE RACE WALKING CHAMPIONSHIPS**Date Saturday 11 July 2026**

Age Groups: U9-U17

The Championship event is open to athletes in the U9-U17 age groups who have met the qualification standards as set by SALAA. The Championships will be held in the Adelaide Parklands, Sth Terrace.

A copy of the rules is available from the SALAA website: [SA \(salaa.org.au\)](https://salaa.org.au)

Entries Open: noon 10 June 2026

Entries Close: 11.59pm 8 July 2026

WINTER TRACK SERIES**Age Groups: U9-U17**

2024 saw the introduction of a new and exciting Winter Track Series. This exciting event continued in 2025 with the meets running on Saturday afternoons at SA Athletics Stadium, allowing athletes to continue with their love of track and field outside of the summer season.

There was a 'club v club' point score as well as an 'age champions' point score.

Information on this series can be found on the SALAA website here: [SA \(salaa.org.au\)](https://salaa.org.au)

Entry Fee: \$20 per athlete per meet

MEDALS AND TROPHIES

Bronze achievement medal: Will be presented to all athletes competing during the season, who attend the AGM and do not receive any other award.

Silver achievement medal: Will be presented to all athletes who have attended a minimum of 75% of all home meetings.

Gold, Silver, Bronze age group trophies: First, second and third placed male/female athletes in each age group. This is judged on each athlete's best result in each event across the season at both EDLA and official SALAA meets at SA Athletics Stadium before the State Individual Championships (SIC). The SIC performances count towards the SIC trophies. A points system is used which awards the lowest points to the highest-ranking athlete in each event, with the aim of achieving the lowest number of points for the season. Athletes must attend a minimum of two thirds of all home meetings to be eligible for gold, silver or bronze age group trophies.

Most Improved Award: Awarded to a male and female athlete in each age group who achieves the highest number of personal bests throughout the season at EDLA and SA Athletics Stadium meets.

Centre Best Performance Medal: Awarded to any athlete who is the current Centre Best Performance record holder of a record set during the EDLA season.

Hugh Thompson Memorial Trophy: Junior achievement award for the U9 to U11 age groups. Awarded to the athlete achieving the most points at the State Individual Championships.

Glenside Lions Trophy: Achievement Award for the U12 to U14 age groups. Awarded to the athlete achieving the most points at the State Individual Championships.

Deborah Gayen Senior Athlete Trophy: Achievement Award for the U15 to U17 age groups. Awarded to the athlete achieving the most points at the State Individual Championships.

President's Trophy: While this is generally an athlete's award for contribution to the Club in all aspects of participation, whether at Club level and/or State representation, it also recognises any contributions made by long serving members of the EDLA Committee.

2024/25 SIC Trophy Winners

Hugh Thompson Memorial Trophy – Nicholas Pizzino U10 (M)

Glenside Lions Trophy – Hunter Moran U13 (M)

Deborah Gayen Senior Athlete Trophy

(previously known as Southern Steel Supplies Senior Athlete Trophy) – Tempany Hames 16F

THROWING EVENTS

In throwing events, each competitor has 3 throws, and their best performance is recorded. In championships, the contenders are allowed 3 initial throws and then the eight leading contenders are allowed 3 further throws. All 6 performances are considered in the final placings.

The shot and discus are both thrown from a circle. An athlete can enter the circle from any direction.

SAFETY RULES:

All athletes must keep well behind the throwing area until it is their turn to throw.

All officials and the athletes must check that the sector is clear before commencing the throw.

Officials should not stand within the sector.

Throwing implements should be carried back to the throwing area and never thrown.

FOULS are recorded if

- an athlete steps out of the circle or leaves from the front of the circle (or throwing line)
- when the shot or the discus lands outside of the throwing segment
- if the athlete leaves the throwing circle area before the shot put, discus or javelin has landed
- if the athlete takes longer than 60 seconds to commence their trial.

MEASUREMENT:

The imprint mark made by the implement on landing closest to the circle is selected.

The selected point is marked by the spike and the zero end of the tape is held at the spike.

The tape is drawn tight through the centre of the circle.

The distance is measured at the point where the tape crosses the inner edge of the circle directly back through the centre of the circle (there should be a mark).

Each measurement is to the nearest centimetre below the distance thrown unless the reading is a whole centimetre.

SHOT PUT

The shot must be put from the shoulder with one hand only.

At the start of the trial the shot shall touch or be in close proximity to the neck or chin.

It shall not be dropped below this position during the action of putting.

The shot must not be brought from behind the line of the shoulders.

Additional causes of fouls for Shot Put:

A foul is recorded if the athlete's hand drops away from the neck during the putting action or if it is put from behind the line of the shoulder or if it is thrown like a ball.

Shot Puts are colour coded for easy selection

1kg	(blue)	U6 & U7 Girls & Boys
1 ½ kg	(yellow)	U8 Girls & Boys
2 kg	(orange)	U9 to U12 Boys & Girls
3 kg	(white)	U13 to U14 Boys U13 to U17 Girls
4 kg	(red)	U15 to U16 Boys
5kg	(black)	U17 Boys

DISCUS

Note that a discus can be thrown any way - overarm or even under arm.

Discus Weights for each age group.

350g	U6 to U7 Girls and Boys
500g	U8 to U11 Girls and Boys
750g	U12 to U13 Boys & Girls
1kg	U14 to U16 Boys
1kg	U14 to U17 Girls
1.5kg	U17 Boys

VORTEX

For all U6 to U10 athletes.

The vortex is an event which introduces javelin technique to the younger athletes and has the audible feedback when it is thrown well. The Vortex is thrown from one of the vortex throwing areas (middle-south and middle-north of northern oval).

The vortex must be thrown over the shoulder or upper part of the throwing arm. It must not be slung or hurled. Round arm actions are recorded as fouls. It is good technique to keep the elbow above the shoulder.

JAVELIN

For all U11 to U17 athletes.

ADDITIONAL JAVELIN SAFETY RULES:

- All groups are to be supervised by an adult.
- **Do not** throw the javelin for the first time unless you have one of the club coaches assisting.
- Javelins and the measuring tape are to be stored in the equipment shed. For your event you will need to collect the javelins from the equipment shed and return them immediately after each event.
- Carry javelins with the point down and tail up (vertically).
- When storing javelins at the event the javelins should be placed in the ground in an upright position
- When removing javelins from the ground, place your thumb over the tail tip and pull back. This ensures that no one behind the athlete will be injured.
- Be aware that the javelin can be deflected by gusts of wind.

The javelin must be thrown over the shoulder or upper part of the throwing arm. It must not be slung or hurled. Round arm actions are recorded as fouls. It is good technique to keep the elbow above the shoulder.

Refer to “Basic Javelin Instructions” in folders for all rules and further advice.

Javelin Weights:	400g	U11 to U14 Girls
		U11 to U12 Boys
	500g	U15 to U17 Girls
	600g	U13 to U14 Boys
	700g	U15 to U17 Boys

TRACK EVENTS

Look straight ahead. Listen for the gun. Keep within your lane during sprint and hurdle events. Always run through the finish line (do not slow down until you are past the finish line). During longer distance races start at a speed that you can maintain throughout the race.

Maximum distances for running events	U6	300m
	U7	500m
	U8	700m
	U9 to U10	800m
	U11 to U17	1500m

HURDLES

Try to step over hurdles rather than jump them. Always hurdle in the direction that you can see the black and white stripes. Disqualification will occur if the hurdles are deliberately knocked down with any part of the body or if an athlete trails any part of their leg in an adjoining lane. These events will be cancelled due to wet weather.

Hurdle standards are:

Age	Distance	Flights	Height	Run In	Between	Run Out
U7 – U9 B&G	60m	6	45cm	12m	7m	13m
U10 B&G	60m	6	60cm	12m	7m	13m
U11 B&G	80m	9	60cm	12m	7m	13m
U12 B&G	80m	9	68cm	12m	7m	13m
U13 B&G	80m	9	76cm	12m	7m	12m
U14 G	80m	9	76cm	12m	7m	12m
U14 B	90m	9	76cm	13m	8m	13m
U15 – U17 G	90m	9	76cm	13m	8m	13m
U15 – U17 B	100m	10	76cm	13m	8.5m	10.5m
U15 – U17 B&G	200m	5	76cm	20m	35m	40m
U13 B & G	200m	5	68cm	20m	35m	40m
U14 B&G	200m	5	76cm	20m	35m	40m
U15 – U17 B&G	300m	7	76cm	50m	35m	40m

A marking tape for hurdle positions will be used to help set up. Hurdles must not touch each other.

WALKS

IAAF rules define walking as a progression of steps, so taken that unbroken contact with the ground is maintained. At each step, the advancing foot of the walker must contact with the ground before the rear foot leaves the ground. During the period of each step in which a foot is on the ground, the leg must be straightened (i.e. not bent at the knee) at least for one moment, and in particular the supporting leg must be straight in the vertically upright position. Three verbal cautions are given prior to disqualification. These rules, cautions and disqualifications in race walking are a technical not a moral censure. The walker is not punished for cheating, however disqualification at Centre level enables walkers to work on their faults and avoid disqualification at Championship level.

Distances:	U8	400m (Introductory Event)
	U9	700m
	U10 to U11	1100m
	U12 to U17	1500m

JUMPING EVENTS

LONG JUMP

All age groups compete in long jump. Three jumps are taken by each competitor. At Championship level the top eight competitors are allowed three extra jumps which decide the final placings. Athletes run to the take-off board as fast as they can and then jump off one foot as high and as far as they can and then extend their legs in front to land with two feet.

SAFETY

- Water the sand to ensure that it is soft to land on
- Ensure the sand is not compacted by digging it over
- Ensure the sand is level with the run-up
- Remove sticks and stones
- Sweep the runway

MEASUREMENT

U6 to U10 use a 1m x 1m rectangular yellow and black mat. The black part of the mat is the take-off area. The rectangular mat is placed with the front edge of the yellow part against the edge of the pit so that the front edge of the black rectangle is 50cm from the pit. Whiting powder is used on the black part of the mat so that the official can see the footprint on the mat. The jump is measured from the toe of the footprint made within the black rectangle to the nearest break in the sand pit made by any part of the body or limbs.

U11 to U17 use a take-off board that is a white line of 200m width placed at least 0.5m from the pit (but can be up to 3m from the pit). This may be an in situ line or marked on a black rectangular mat. DO NOT put chalk on this mat. The jump is measured from the front of the white line closest to the pit with the tape measure running perpendicular to the white line to the nearest break in the sand pit made by any part of the body or limbs.

A FOUL is recorded:

- It is a foul if any part of the foot or shoe breaks the vertical plane of the take-off line.
- If during the run-up, an athlete touches the ground beyond the take-off line with any part of the body, whether running up with or without jumping; it shall be deemed a foul even if it is not completed.
- If after completing the jump an athlete walks back through the landing area towards the take-off area.
- If in the course of landing, an athlete touches the ground outside the landing area nearer to the take-off point than the nearest break (imprint) in the landing area
- If any sort of somersault is used.
- If an athlete takes longer than 60 seconds to begin a jump.

Clarification of take-off board positions:

- For U6 to U10 age groups, the foul line of the take-off mat shall be placed 50cm from the front edge of the landing area.
- For U11 and U12 age groups, the foul line of the take-off board shall be 1m or 2m from the edge of the landing area, as determined by the Referee or Chief Judge.
- For U13 and above age groups, the foul line of the take-off board shall be 1m, 2m or 3m from the edge of the landing area, as determined by the Referee or Chief Judge.
- Only a single board position may be used in a competition (with the exception of classified para-athletes competing under World Para-Athletics Rules).
- NOTE: Fixed boards at 2m from the edge of the pit will be used for U13 and above events where available. For the State Individual Championships, the fixed 2m board will be used for all age groups U11 and above.

TRIPLE JUMP

Triple Jump is only contested by U11 to U17 athletes. The conduct of the event is the same as that of Long Jump. The take-off mat is positioned at whole metre distances in front of the pit.

The Triple Jump consists of a hop, step and jump. It is defined as **“The hop shall be made so that the competitor lands first upon the same foot as that from which he/she has taken off; in the step he/she shall land on the other foot from which the jump is performed”**.

FLEXI JUMP

Flexi jump is contested by U6 and U7 athletes. They use the foam coated elastic flexi bar and 150-200mm thick mat. Jumping rules are otherwise the same as for Scissor Jump.

During wet weather this event may be cancelled if the run up is considered unsafe.

SCISSOR JUMP

Scissor Jump is contested by U8 to U10 athletes.

The athlete must take off from one foot, clear the bar in a vertical position and the first contact made on the landing area must be made by one or two feet.

An athlete fouls if: (a) The athlete's head clears the bar before the leading foot (the foot closest to the bar at take-off).

(b) The athlete's head goes below the buttocks when the buttocks clear the bar.

(c) On landing, the first contact with the landing area is not made by one or both feet.

The scissor kick technique teaches athletes to jump. The run up for scissor kick is a straight line at about 45° to the high jump bar, lined up so that they cross the bar in the centre of the mat. Athletes should drive up through their hips and try to keep a vertical body position and then land feet first on the mat. It is strongly recommended that athletes of all ages use the scissor kick until they are able to jump above the height of their armpits.

During wet weather this event may be cancelled if the run up is considered unsafe.

HIGH JUMP

High Jump is contested by athletes aged U11 to U17.

Each jumper is allowed three jumps at each height, dropping out of the competition after 3 consecutive failures. Athletes may commence jumping at any height, usually 10cm below their personal best. The bar may not be lowered during competition. At EDLA, the PBs of each athlete in HJ are on the recording sheet to assist the chaperones in selecting the height at which each athlete shall start.

A foul will be recorded if the bar is dislodged, an athlete jumps from two feet, takes longer than 60 seconds to jump, has two consecutive baulks or gains an advantage by touching the bag with their hand or foot.

It is strongly recommended that athletes of all ages use the scissor kick until they are able to jump above the height of their armpits.

During wet weather this event may be cancelled if the run up is considered unsafe.

2024/25 STATE RELAY CHAMPIONSHIPS

The season 2024/2025 State Relay Championships were held on 2nd February 2025 at SA Athletics Stadium. EDLA came second on the day behind Western Athletics. Congratulations to all competitors and parents on a great day at SA Athletics Stadium where we medalled across all age groups. A special mention goes to the U16 female team as they broke the State record in both the 4x100m and 4x200m events.

We thank the following companies and organisations who sponsor Little Athletics at National, State and local level.

Without their generous support our fees would be much greater.

Please support them.

MAJOR CLUB SPONSORS

**Lions Club of Glenside
Adelaide Hills Cavoodles
Turner Real Estate**

STATE SPONSORS

**SA Power Networks
Sports Centre
Copyworld Toshiba
Dreamjar Studios
Datacord**

NATIONAL NAMING RIGHTS PARTNER

Coles
